

# Career & Family Leadership 2018-2019

## Student Absences:

If a student knows in advance that he/she will be absent, it is the student's responsibility to notify the teacher and get assignments. If a test is to be given on the day of the planned absence, the student needs to schedule a time before or after school to make up the test, if possible. Many of the daily class activities and homework will be able to be accessed by students via Google Classroom.

## Course Description:

This course is designed to give students an insight into all the courses offered within the FACS department to prepare them for success in family, career and community life. This class is intended for all high school students who have not taken a FACS class. CAFL enables students to:

- Promote personal growth and leadership development
- Explore work, jobs, and careers related to family and consumer sciences and human services
- Solve problems impacting the work of the family
- Make decisions that support and strengthen the integration of multiple roles/responsibilities of individuals, family and career and community
- Topics discussed in this class include nutrition, clothing, elements of design, stress, character, family life, and financial stability.

**Classroom Polices:** Students are expected to be in their seats when the bell rings and ready to begin class. Students will participate in all learning activities and abide by the rules set forth in the student handbook. Phone use in class will NOT be permitted unless approved by me. All phones will be placed in the "Cellphone Hotel" upon entering the classroom.

**Daily Assignments:** Daily assignments will include various points including writing prompts, participation points, worksheets, and other in-class projects.

**Tests/Quizzes:** There will be skill assessments in this course. Students will also be given quizzes periodically that may be announced or unannounced.

**Projects/Labs:** Projects and labs will be assigned throughout the class to apply knowledge learned. Food labs are a privilege, not a right. Students with missing work, multiple tardies, and poor behavior may have an alternative assignment for lab days.

**Supplies Needed:** We will be utilizing as much technology as we can, however students will still need writing utensils and a binder or notebook of some sort to keep everything organized.

---

I have read and understand the expectations and content of Mrs. Meyer's Career and Family Leadership class.
